Engine ZMZ 40911

This modern spark-ignition 16V engine is equipped with BOSCH fuel injection. It provides maximal output and torque in low revs, which implies its fundamental advantage in harsh off-road operation. During the on-road operation it offers swift moving offs and cultivated running. Its sufficient output and gear ratios enable problem-free motorway operation. This engine type is suitable for a modification to LPG fuel and can be diagnosed via OBD connector.

Information

Payment terms and conditions

An advance payment of at least 80% is required when ordering a new vehicle from Russia. It can be agreed individually.

Vehicle delivery period

When ordering a new vehicle from Russia the delivery time is 6-9 months if the vehicle is not in stock at the manufacturer.

UAZ AMC vehicle warranty conditions

The standard warranty period provided by the importer according to the vehicle price offer is 24 months or up to 100 000 km driven, whichever occurs first. Warranty conditions can be agreed individually with the business entities: the vehicle warranty period can be reduced upon agreement with the customer in the form of a discount, or extended upon a surcharge. The warranty period cannot be reduced in case the customer is a natural person. Terms and conditions are governed by bilaterally signed vehicle warranty conditions which constitute an integral part of the purchase agreement and handed over documentation.

UAZ AMC vehicle warranty repairs

In case a failure occurs within the warranty period, it can be claimed:

1. at warranty service of AMC spare parts s.r.o., business address: Radíkovice 19, Hradec Králové 503 27, Czech Republic or at another chosen warranty service centre within the AMC service network (Warranty service centre is authorized to perform warranty repairs without a consent of the seller)
2. at the seller, who, if necessary, issues a single license - written agreement with the specific defect repair at the selected service centre within the AMC network (Authorized Service is not authorized to perform warranty repairs without the consent of the seller)

Regular service of UAZ AMC vehicles

1. AMC Full-Service:

Regular vehicle service (as prescribed by the periodic maintenance in the service booklet) is provided by a service centre of the importer, authorized by AMC spare parts s.r.o., business address: Radíkovice 19, Hradec Králové 503 27, Czech Republic and through AMC full-service. The vehicle can be for a pre-agreed fixed fee regularly taken to be serviced by the importer and after performing the service it is immediately returned to the customer. There is full liability insurance for the vehicle taken. We recommend it for vehicles used in the Czech Republic and neighbouring countries.

2. Service through the network of authorized AMC service centres:

Regular vehicle service (as prescribed by the periodic maintenance in the service booklet) is provided by a contractual authorized service centre of the importer. It is guaranteed that the service centre is located within 40 km from a place of the vehicle operation. The authorized service centre is obliged and entitled to carry out the vehicle full service and repair works paid by the customer. The authorized service centre is not automatically entitled to exercise the rights of the buyer resulting from the warranty, but after a specific written consent of the seller it can be entitled to settle them.

3. Find your service

Do you know a service centre in your neighbourhood that you would like to use for the maintenance of your new UAZ vehicle? Do you know that they charge reasonable prices, have an experienced staff, good references and satisfied customers? Just ask. In case of interest, we are ready to sign a vehicle service authorization contract with your chosen service centre and to include it into the AMC authorized service network.
